NAAC SPONSORED

National Seminar on

Intellectual Property Rights and its Implications in Higher Education

Organised by IQAC

Sakus Mission College Accredited with B⁺ by NAAC Landmark Colony, Dimapur

February 25, 2019

About the College

About the Seminar

In recent years, Intellectual Property Rights (IPRs) has become increasingly important to academic institutions throughout India. Digitalization and technology are outpacing developments in law and education. In today's globally competitive environment, it is also necessary to develop the Students attitude towards intellectual property .

Although the knowledge about the IP rights in India is budding but the students and teachers in and around the colleges of Nagaland still need assistance due to inadequate knowledge about the rights of individuals to protect their ideas and innovations and low awareness about the procedures involved in obtaining an IPR.

Keeping this in mind the Sakus Mission College is organizing a National Seminar to create first level IPR awareness among the teachers, students and young intellectuals.

The programme is structured with twin purposes. Firstly engaging appropriate experts/ resource persons from the relevant fields to address various issues relating to Intellectual Property Rights and its implications in higher education. Secondly, inviting selected scholars to present their paper on the given sub-themes.

The seminar will cover the following sub-themes:

Intellectual Property Rights policy relating to higher education for quality enhancement; Basic concept and components of IPR; Intellectual property right protection laws in India; Challenges of Copyrights and Cyberspace; Patent Laws, Indian Innovations and Licensing Policies; Geographical Indication and Protection of Traditional Knowledge; Emergences of Designs and Trade Mark Laws/ Trade Secrets

IMPORTANT DATES

Submission of Abstracts: 27th January 2019
Confirmation of selected Abstracts: 30th January 2019.
