## Four-day workshop on “equipping teachers for implementation of curriculum in peace studies” conducted at Sakus Mission College

Four-day workshop on “equipping teachers for implementation of curriculum in peace studies” conducted at Sakus Mission College concluded on October 26. (2019)

In a press release, SM College indigenous research centre organisers stated that workshop was aimed at imparting training for teachers from both secular and theological disciplines in contexts where severe conflicts have impacted life and peace-building was an uphill task. It stated that the workshop was designed to make a difference to the social reality of conflict situations by preparing academic institutions and faculty members to train the students to be peace makers.

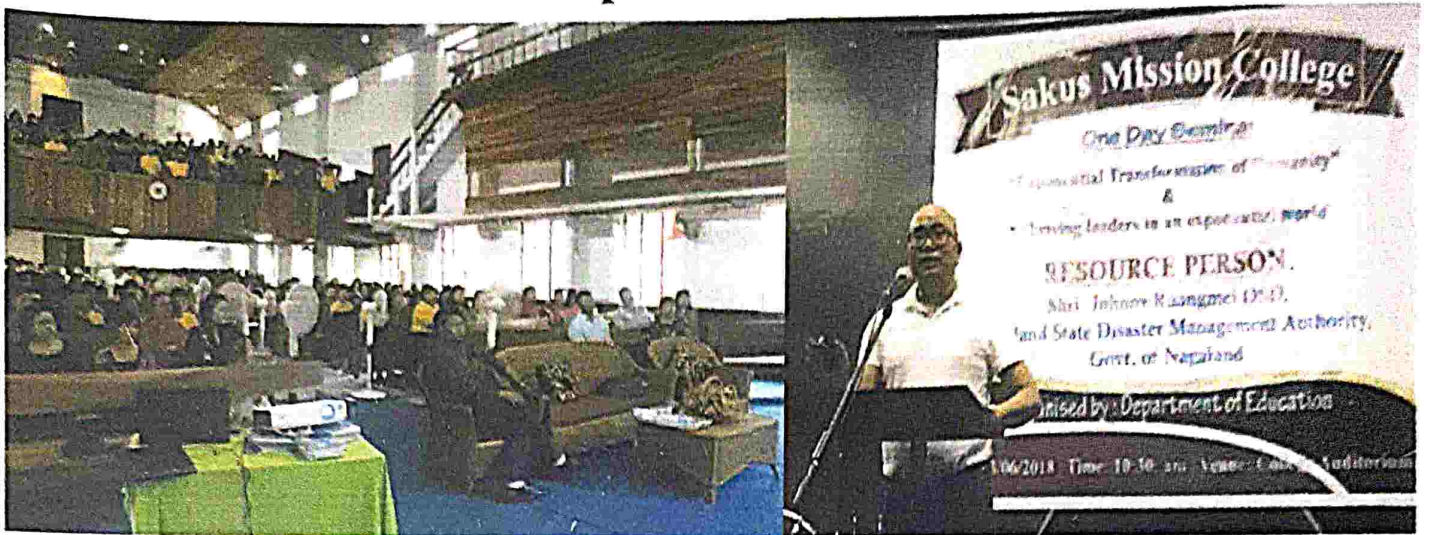

The resource persons in the workshop were, Dr. Alexander Jesudasan, Rev. Dr. John Prasad, Dr R Belinda, Rev. Joshua Jayaseelan and Dr. Akum Longchari. The valedictory address was given by Dr. Lanusangla Tzudir, chief editor, Heritage Publishing House. The workshop hosted by indigenous research centre of SM College was attended by 20 faculty members from seven educational institutions in Nagaland.

This programme was given by the Centre for Peace Studies, Madras Christian College, Chennai and sponsored by the United Board for Christian Higher Education in Asia.

# A One day seminar

on

**“Exponential Transformation of humanity and thriving leaders in an exponential world”.**

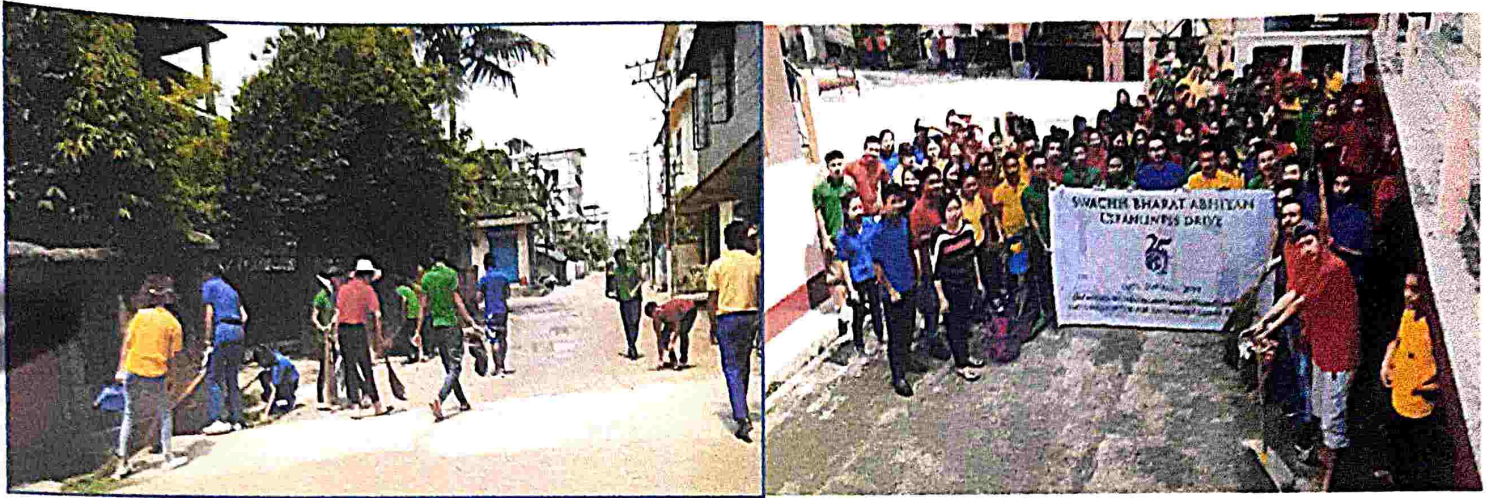

SM College, Department of Education conducted one day seminar on the topic “Exponential Transformation of humanity and thriving leaders in an exponential world” on June 13<sup>th</sup> 2018 at the college auditorium with the resource person, Johnny Ruangmei Futurist, OSD, NSDMA, Govt. of Nagaland.

The resource person enlightened on how today young leaders must learn to think exponentially. He also mentioned that our world today is shaped by fast moving technologies, digitization, globalization, demographic and social change. For leader to thrive in a constantly changing world and to make the best use of technologies they need to replace old thinking with a new frame work, exponential leadership. He further encouraged that, all of us leaders, entrepreneurs and parents have huge responsibility to inspire and guide the transformation of humanity on and off the earth. He also highlighted on the various software and its uses which students can use for their skill development and entrepreneurship in their future career. This seminar was of great help for the students specially relating to IT Sector. Altogether around 300 students participated in the seminar.
